Deakin Private Hospital

Supporting your patients with specialised private mental health care in Canberra.

About us

Deakin Private Hospital is Canberra's dedicated private mental health service, providing recovery-focused care. Our programs cater to a wide range of psychiatric conditions from mood and anxiety disorders to trauma and substance abuse.

We offer inpatient and day treatment programs that integrate psychiatry, allied health, psychology and exercise physiology. Our model is small and bespoke, ensuring patients feel supported, known, and empowered throughout their journey.

Our facility

- 52-bed, purpose-built mental health facility.
- Combination of group therapy and individual sessions.
- Evidence-based pharma-cotherapy.
- On-site gym and basketball court.
- Nutritious, chef-prepared meals.

Care Offerings

Inpatient care

For individuals needing a safe, structured environment to stabilise and begin recovery.

- Pharmacotherapy,
- Recovery planning,
- Discharge readiness.

Day programs

Half-day sessions delivered weekly over several weeks. For individuals who do not require overnight admission or who are stepping down from inpatient care.

Specialised PTSD/ Trauma Unit

A dedicated 12-bed unit supporting military personnel and first responders.

- Lifestyle psychiatry,
- Physiology-informed care,
- Trauma recovery programs.

The referral process

1. GP, Medical Officer or Psychiatrist completes a referral letter with relevant history.
2. Referral sent to Deakin Private Hospital Admissions OR submitted via Healthlink (EDI: dphospit)
3. Admissions team reviews referral and contacts the individual to confirm details and next steps.
4. Intake completed & admission arranged for a weekday.

Our Model of Care

Our model is small and bespoke, ensuring patients receive individualised care and clinicians stay closely involved.

From admission to discharge, we provide an integrated model of care to ensure continuity of care and ongoing recovery support across private hospital and community settings.

Why Refer to us

- Local, private facility with immediate admission options.
- Integrated care: psychiatry, allied health, psychology, exercise physiology.
- Warm, respectful environment for patients and families.

Our Values

Driven by compassion: We listen, support, and respond with empathy. We strive to act with understanding an compassion in every interaction.

Strive for quality: We pay attention, ask the right questions, and speak up when it matters—striving for excellence for our patients, our team, and ourselves.

Curiosity leads: We embrace new ideas, technologies, and treatments. We welcome innovation and continuous learning.

Work collaboratively: We bring together a range of diverse experts working together to deliver the best care possible.
