Professional background

Dr Braund is a Consultant Gastroenterologist and Hepatologist. She currently has private appointments at Robina Private Hospital.

She studied Medicine at Griffith University and graduated in 2008. Dr Braund completed physician training and gastroenterology training at the Gold Coast University Hospital and the Royal Brisbane and Women's Hospital. Her previous background includes an undergraduate degree in Nutrition and Dietetics.

She provides thorough examinations of the upper and lower gastrointestinal tract through gastroscopy, colonoscopy and polypectomy.

Outside of Robina Private Hospital, Dr Braund is a staff specialist at the Gold Coast University Hospital. She is the Clinical Lead in Hepatology and enjoys all aspects of care for patients with liver and gastrointestinal diseases.
