Professional background

Dr Ayaz Ghani is a fellow of the Royal Australian and New Zealand College of Psychiatrists. He completed his psychiatry training at the Western Sydney LHD network and Nepean Bluemountain LHD network and obtained his fellowship with the Royal Australia and New Zealand College of Psychiatrists (FRANZCP).

Dr Ghani has over 13 years of experience in Psychiatry. Over the years, Dr Ghani has worked in various regional and urban hospitals across Australia. His expertise in mental health has earned him a reputation as a trusted and reliable practitioner, and his patients appreciate his empathetic and supportive approach to care. His extensive training and work experience allow him to render individualised professional care for adults with various mental health disorders using evidence-based practices.

His education and work have exposed him to patients from various ethnic backgrounds and socioeconomic statuses. Consequently, he has a broad cultural overview as it relates to patients with mental health issues. In addition to English, he can speak Urdu, Hindi and Punjabi.
