Professional background

Dr Greg Roebuck is a a psychiatrist accredited by the Royal Australian and New Zealand College of Psychiatrists. He holds a Doctor of Medicine degree from the University of Melbourne.

Greg has particular expertise in the treatment of trauma-related mental illness and is trained in structured trauma-focussed psychotherapy. Greg also works as a Senior Research Fellow at the Institute for Mental and Physical Health and Clinical Translation at Deakin University.

He aims to bring warmth, empathy and thoughtfulness to his consultations with patients.

Clinic locations

At present, Dr Roebuck is not providing outpatient consultations and is only able to offer inpatient treatment at Brunswick Private Hospital.
